

2015 Report to the AZ Sportsmen for Wildlife Conservation

AZSSEF Grant, Final Completion Report

Grant amount: \$9,000.00

Expenditures: \$6,210.00 for Vests from Shoot the Moon Sportswear in Peyton, CO as well as shipping from Phoenix to Sparta, IL.

Number of Vests supplied: 43

The difference between the Grant amount of \$9,000.00 and the expenditure of \$6,210.00 is \$2,790.00 which is hereby refunded to AZ Sportsmen for Wildlife Conservation by Check #1245.

This represents the number of Vests earned by the winning Competitors in the Commissioner's Cup State Championships. Vests were not awarded to winners who previously earned one, and many of the previous Vest winners wore them.

The 2015 Commissioner's Cup Championships included events in American Trap, American Skeet and American Sporting Clays during April and May. Approximately 300 competitors attended. The AZ SCTP program continues to grow with some 31 Teams with over 900 young athletes. With this growth so has the volunteer Coach group grown as well as the supporting parents of the competitors. All the volunteers are well aware of the support of all the sponsoring organizations for the Commissioner's Cup Vests because of the patches carried on the Vests.

The National Championships were again held at Sparta, IL Club and 39 Commissioner's Cup Champions and their families attended. The Championship Vests were evident to all as they were proudly displayed by the athletes.

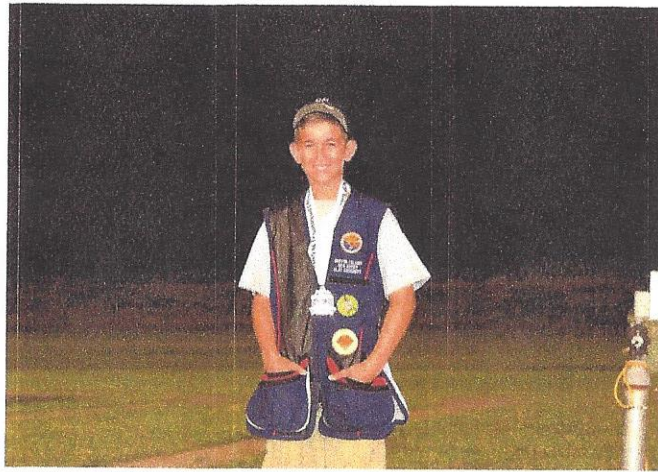

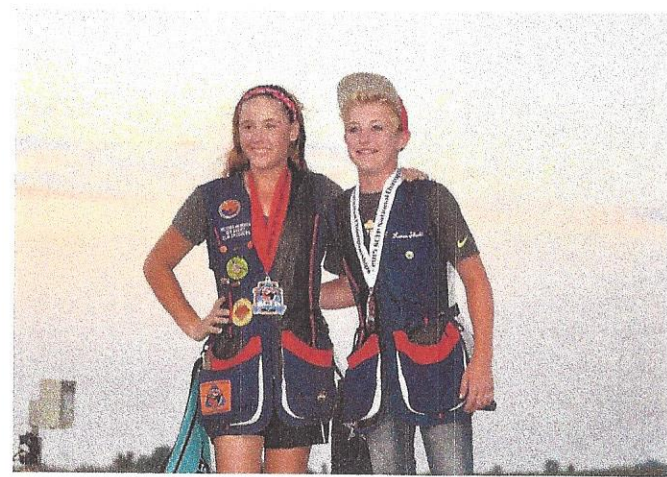

Of the over 1,000 young athletes registered in the 2014/2015 AZ SCTP program 5% of them competed in the SCTP National Championships which had nearly 2,500 participants. The Arizona competitors received 21 individual, 8 squad and 2 High Overall awards.

A number of pictures taken at the Nationals are attached.
