Adopt an Antelope!

Here's your chance to help one of the most elusive and beautiful species in Arizona! The range of these beautiful creatures is adversely affected by growth of cities and freeways. Cutting them off from food, water, other herds and safe open spaces. Arizona Antelope Foundation exists to help them survive and thrive in our changing landscape. You can help from the comfort of your home! Adopt a Pronghorn Antelope (and you'll receive a plush antelope toy along with photos and information) and as an official adopter, you'll be the "parent" of an antelope. You'll know that the antelope you will help provide space, and care will be taken for. You'll also know that the time has been invested. Adoption duration is just \$4200 (75% off the list) but you'll have your own antelope!

Adopt An Antelope. Price: \$350.00
