**RE: Commission Appointment Recommendation Board (CARB) recommendations  
for the Arizona Game and Fish Commission (Commission)**

Arizona Sportsmen for Wildlife Conservation (AZSFWC) is a non-profit organization comprised of 40 Member, Affiliate and Associate organizations that reach across the spectrum of wildlife conservation, hunting, angling, shooting, outdoor recreation groups and business from all across Arizona. Our member organizations represent more than 16,000 outdoor enthusiasts, sportsmen and women across Arizona.

On November 9, 2021, the CARB interviewed four qualified candidates for the open Commission seat being vacated by Kurt Davis. After the in person interviews, the CARB voted 5-0 to forward all four names to you for consideration to fill Mr. Davis' seat.

AZSFWC strongly supports **ARS 17-202**, as well as the entire CARB process. AZSFWC believes the process allows for qualified candidates to be screened , interviewed, and recommended based on their resumes, qualifications and respect for wildlife and conservation, by the very constituents that provide the primary funding and support for both the Commission as well as the AZ Game and Fish Department.

AZSFWC and all of our members respect the CARB applicants chosen for consideration and look forward to working with the individual you choose to fill the vacancy.

Thank you, Governor!
