List any social media recognition of AZSFWC (include all screen print images) Facebook

Was there any media or press coverage? (attach copies if available) Yes No

List any other recognition? AES Tracker Magazine, AES events, Logos: Logo on trailer. Conservation Plate ordered.

Summarize Project Accomplishments : AES completed the build of the trailer by Dykstra Machinery, ordered and installed all necessary components and delivered the 1000 Gallon water trailer to volunteers to be used in AZGFD Region II. The trailer will be used by AES trained volunteers from the local areas. This will help immensely to allow Region II volunteers to get more water into remote catchments in the woods.

Measurable Results (Fill in all that are applicable):

Attendees (If project was an event, list total # of participants, excluding staff, visiting parents, etc): _NA_____

Visitors (If the project is an interpretive display, list total # of annual visitors): _NA_____
