Coconino/Yavapai pollinator library seed
program

Az native seed packets

1500 of these native Arizona pollinator seed packets were distributed to 9 libraries in the Coconino and Yavapai Counties in Arizona.

The seed mix was vetted by Az game and fish, biologists at Tonto national forest and the Arizona Botanical garden to be native Arizona pollinator seeds for elevations above 3000 ft.

The 1500 seed packets are equivalent to almost 2 acres of pollinator seeds planted.

The seed packets were in place at all the libraries, free to patrons, by national Pollinator week in June, 2024.

NOTE: Arizona Sportsman for Wildlife Conservation logo on every packet.
