Summarize Project Accomplishments : In spite of the inclement weather, the ADA successfully completed the 3-day Youth Deer and Cow Elk Hunt camp, October 9-12. The camp provided instruction and mentoring to help young hunters successfully harvest a deer or cow elk. Throughout camp, the camp volunteers provided breakfast, lunch and dinner to campers, and assisted with field dressing and meat packing. The Association hosted approximately 50 hunters and their families, totaling around 200 people. We served around 850 meals throughout the entire time. We held a contest after the camp to encourage the participants to write essays/articles about their experiences. The winner of the contest will receive a new rifle.
