**RE: Commission Appointment Recommendation Board (CARB) recommendations  
for the Arizona Game and Fish Commission (Commission)**

Arizona Sportsmen for Wildlife Conservation (AZSFWC) is a 501c-3 organization dedicated to wildlife conservation, habitat improvement, youth recruitment and retention, as well as educating outdoor enthusiasts on issues important to their passions. AZSFWC member organizations reach across the spectrum of wildlife conservation, hunting, angling, shooting sports, and outdoor recreation groups from across Arizona, representing more than 25,000 people.

On November 2, 2022, the CARB interviewed four candidates for the upcoming open Commission seat being vacated by Leland "Bill" Brake. After the in person interviews, the CARB voted 5-0 to forward three of the candidates' names to you for consideration in replacing Mr. Brake on the Commission.

AZSFWC strongly supports **ARS 17-202**, as well as the entire CARB process. AZSFWC believes the process allows for qualified candidates to be screened , interviewed, and recommended based on their resumes, qualifications and respect for wildlife and conservation, by the very constituents that provide the primary funding and support for both the Commission as well as the Arizona Game and Fish Department.

AZSFWC and all of our members respect the CARB applicants chosen for consideration and look forward to working with the individual that is selected to fill the vacancy.

Thank you, Governor!
