**Summarize Project Accomplishments :** The Arizona Deer Association was able to purchase a second water wagon in July 2021 to augment our original water wagon. Due to supply chain issues, it took many months to outfit the trailer properly, including tires, pipes, hoses, batteries, etc. This water wagon is now stored and used in the western part of the state, headquartered in Centennial, Arizona at Mesa Wash Ranch, and we are hauling water to poly storage tanks and drinkers and we expect to haul 25,000 gallons this season, weather depending.
