Summarize Project Accomplishments : The funds provided by AZ Wildlife contributed into expanding our Nature Center most notably expanding access to hands-on animal handling with animals and habitats bought from the fund provided. This not only provides campers and students the opportunity to hold animals and interact with them, it also has provided visual learning for classes in the Outdoor Education curriculum that cover; animal adaptations, predator/prey relationships, animal environments, and conservation efforts on different types of endangered animals as well.

Measurable Results (Fill in all that are applicable):

Attendees (If project was an event, list total # of participants, excluding staff, visiting parents, etc): __N/A__

Visitors (If the project is an interpretive display, list total # of annual visitors): Currently we have had over 300 campers experience the expansion with an estimated 500 more coming during the summer months. We also have schools groups and adult groups that visit our nature center and that number will be above 2000.

Brochures, Pamphlets, etc. (If the project is a brochure, publication, poster or video, list the total produced and distributed): _____

Other (please explain):

Getting Back to Nature

The YMCA of Southern Arizona is thrilled to announce that the Arizona Sportsmen for Wildlife Conservation (AZSFWC) has approved funding for our Nature Center Expansion Project, awarding us \$2,500. This generous grant will significantly enhance our efforts to create a richer, more engaging environment for wildlife habitat and conservation education. You can contribute to these important initiatives by purchasing an AZSFWC license plate today, helping to fund conservation projects, educate the public on vital

conservation issues, and support the recruitment and retention of future sportsmen and women. Together, we can make a lasting impact on our community and environment!

We have some new residents at the Loper Hall Nature Center!

Camper's have already enjoyed handling the cornsnake and ball python!

We definitely would like to thank AZ Sportsman for Wildlife Conservation for the generous grant that is helping revitalize the nature center!!
